## BATH LINEN

We've dedicated hours of our time to create beautiful bathroom textiles that stay soft even after lots of bubble-baths & rigorous washes. All this, because we know there's just something wonderful about wrapping up in a clean soft towel, or stepping out on to a warm bath mat. We at 'Elegancia' want to be the one who create those wonderful moments worth enjoying. It is noteworthy that our towels meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

## POLAR FLEECE BLANKET

"Elegancia" Polar fleece blankets are manufactured using 100% microfiber polyester yarns and are known for being extremely soft, portable and skin friendly. This fabric is exquisite and waterproof to some extent and is a great substitute to high priced blanket products.

The fleece fabric is known for its exceptional capabilities like warmth, softness, attractive appearance & its moisture wicking properties.

The low unit-price for polar fleece blankets as compared to other alternatives and strong durability make this an attractive product amongst customers. Polar fleece blankets can be made as light as 500 grams/ piece and are extremely portable. Our polar fleece blanket are mainly used in hotels, hospitals, hostels, guest house & many other institutes.
